FastCAT ROLL CALL & INSPECTION

Roll call will be continuous. Competitors will check in at the check in table upon arrival at the test starting at 8:30 A.M. and continuing until running is complete. You can run both day's tests in the morning with at least 30 minutes in between. Each entry will be inspected for lameness, fitness to compete, and females in season as well as measuring for determining the handicap. If in the opinion of the inspection committee, any entry found to be lame, unfit to safely compete, or a female in season, that dog shall not be allowed to enter and entry fees shall be refunded. There may be a short briefing with instructions and announcements before we begin. We will be moving things along as efficiently as possible to avoid a backup and long wait times. FastCat will be running concurrently with an agility trial.

Introducing the FastCAT

The FastCAT /Test is a timed 100-yard dash for dogs. It is meant to be a fun and healthy activity of interest to any dog owner. FastCAT is a timed straight race of 100 yards and dogs run singularly. The dog's time to complete the 100-yard dash is converted into MPHs.

HOW IT WORKS

A handicap system is applied to a dog's MPH to determine the number of points earned. The handicap system is based on the height of the dog at its withers:

18" or greater = handicap is 1.0

12" up to less than 18" = handicap is 1.5

Below 12" = handicap is 2.0

Points and TITLES

Points = MPH multiplied by the dog's handicap. FastCAT titles suffix titles are earned at designated milestones:

BCAT = 150 points

DCAT = 500 points

FCAT = 1,000 points

FCAT# = every additional 500 points

Dogs will start up 10 feet behind the starting line. Prior to moving the lure to position it for the start, the lure operator shall announce "hold your dogs" to caution owners.

Timing

The time to complete the 100-yard dash is recorded to the nearest 1/100th of a second (e.g. 9.11). UITC will use electronic timing equipment. We will be using hand held timers in the event the electric timing equipment malfunctions.

Awards

-A light blue colored Ribbon will be awarded for each qualifying run

-New title rosettes will be available
